Safari Technical Staffing LLC, an Arlington, VA-based **Information Technology consulting and staffing firm, provides high-level IT professionals for contract, right-to-hire and direct-hire positions to Fortune 1000 clients around the country.** Our focus is on providing the best, most-qualified technical consultants to our customers quickly and efficiently, saving our clients' time and money. A panel of distinguished judges chose finalists based on entrepreneurs that demonstrated outstanding achievement in four areas: professionalism, entrepreneurship, community contributions and eligibility. This year's ceremony host organizations are the University of Maryland University College, Southwest Airlines, the Governor's Office of Minority Affairs and the Maryland Department of Transportation.

"Safari Technical Staffing LLC" represents the best of what our region's minority business community has to offer," said Sharon R. Pinder, founder of the Top 100 MBE Awards Ceremony. "this award is the culmination of sacrifice, dedication and hard work and will inspire future minority business entrepreneurs to strive for the same level of success."
